This is an office action for serial number 10/650,248.

***Allowable Subject Matter***

Claim 16 is allowed.

***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Wendy Zang on September 5, 2005.

The application has been amended as follows:

**Claims 8-15 has been canceled.**

**Please insert new claim as follows**

**Claim 16 (new):**

A book holding device adapted for use with a vehicle steering wheel comprising:

an upper filleted rectangular support plate having an upper surface, a lower surface, an upper edge, and a lower edge;

an lower filleted rectangular support plate having an upper surface, a lower surface an upper edge, and a lower edge;

Art Unit: 3632

a hinge for connecting said upper support plate lower edge to the lower support plate upper edge; wherein the support plates are pivotable from an open position to a closed position;

two identical mating pads formed of hook-and-loop fastener material attached adjacent to the upper support plate upper edge,

two identical fastening straps attached to said upper support plate lower surface and being formed of a material to connect with the two identical mating pads,

the two fastening straps configured to loop around a steering wheel and connect the upper support plate to the steering wheel;

A folding shelf being attached to the lower support plate;

two identical elastic loops located below the folding shelf adapted to hold a writing utensil;

two identical elastic bands attached to a lower surface of the lower support plate and each connect diagonally across the corners of the lower support plate, the elastic bands configured to attach the lower support plate to the steering wheel.

#### **Reasons for Allowance**

The following is an examiner's statement of reasons for allowance: The prior art does not disclose a book holding device

Art Unit: 3632

for a vehicle steering wheel having an upper and lower plate connected by a hinge having straps on the upper plate and bands on the lower plate for attaching to the steering wheel; a foldable shelf and loops for a holding writing utensil.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
